Service Warranty Booklet

(UNICORN /ACE CE 150/ WAVE110S MOTORCYCLE ONLY)

Warranty Policy

We warrants all products, except specified models such as racing machines.
The product distributed by HMN to Dealer and sold to the customers are guaranteed to be free from defects in materials and workmanship under normal use and maintenance conditions. If a problem occurs, We will replace parts and/or compensate labor cost incurred in making repairs and/or adjustments.
Furthermore, inspection of the product must prove that the damage is attributable to us in order for replacement and compensation to be allowed.

1. WARRANTY PERIOD

We will be responsible for adjustment on warranty claim and will be executed on a fair and impartial manner. All claims submitted from Service Providers (see list on rear portion of this manual) must be within the warranty period and be ascertained that damage resulted from defects in material and workmanship under normal use and maintenance conditions.

- For Unicorn /Wave110s/ Ace CB 150 Motorcycle , One year (12) months from the date of purchase or before MC has driven 36,000 km (If meter cable be cut, Convert the monthly mileage to 5,000Km and make it equivalent to 20000Km=4 months), whichever comes first with the exception of parts listed on number 4 (Warranty Exclusions).

2. WARRANTY TARGET RANGE

We applies warranty only on engine parts(Excluding expendable such as clutch plates and disks of clutch system)

3. WARRANTY CONDITIONs

The warranty period shall begin from date of First delivery to the customer and end when a fixed time period elapses or when a specified operating distance is attached, whichever occurs first. If the customer sells the product changes address during the warranty period, the warranty remains effect if the following conditions are met.

- The change is made between residents within the country, the same is intimated to Sold dealer. The product has continually received service at Sold dealer since the time of delivery to the initial customer. The warranty remains in effect for the rest of the warranty period of the product for replacement part used.

Warranty Policy
